Winter, 2015 Volume 23, No. 65

Happy New Year 2015!

SO MUCH IS HAPPENING THESE DAYS AT CAMP BARNEY!

1 LOTS OF CONSTRUCTION PROJECTS AT CBM FOR 2015! WHY DO WE DO 'EM?

- A. So much of our camp facility sits out in the weather during the non-summer months and ages from lots of rain, wind, snow and wildlife, that it requires an update.
- B. Nearly 1700 campers and staff are with us each summer, plus thousands of guests each Fall and Spring during CBM Family Camps, Weddings, Bar & Bat Mitzvahs, Reunions, and other gatherings, so restoration is always necessary!
- C. We're always thinking about what's next for every age group: to enrich, excite, and provide the coolest new adventures, and the best working, most beautiful and comfortable everything!
- D. New for Summer 2015: a state-of-the-art septic system, new roofs on our Zaban Chapel and many cabins, new docks on our CBM beachfront, renovated tennis "shack," 6 totally re-surfaced tennis courts, improvements to bathrooms and staff living spaces, and new features in the dance center, film studio, water ski docks, new ropes courses, and more!

2 OVER 1200 CAMPERS ALREADY REGISTERED FOR 2015!

We are humbled, proud and excited to have registered over 1200 boys and girls (as of January 6th) for this summer, a record pace in our 53 year history. Of course, this is rather remarkable considering today's economy so we're trying to help: raising fees less than 3% from last year and pursuing grants and sources of assistance wherever possible. We're so grateful that families consider CBM not a luxury but rather an annual and valuable life experience. Registration is ongoing, and while second session is currently full, a few spaces remain for first session (June 7-July 2), and we are offering a special \$250 credit to families who register now for spaces in this session.

3 HUNDREDS OF PROSPECTIVE STAFF ARE PURSUING CBM JOBS

This is so fantastic because it means we'll get to again choose the "Best of the Best" from last summer, previous summers and awesome new staff from throughout the U.S., Israel, England, Australia, etc. If you have friends or relatives interested in a position on our 2015 Camp Barney staff, they should call or email the CBM office very soon!

TODAH RABAH!

Thank you so much for choosing to participate in an amazing summer at Camp Barney Medintz in 2015. We're so grateful, honored, and proud to have registered over 1200 campers as of January 2015, earlier than ever!

We still have space! We have spaces in First Session available for our CBM Live theater and music specialty camp, as well as other 2-week and 4-week camps in First Session. Please contact the CBM office very soon to inquire about availability. We are committed to providing the safest, most meaningful, exhilarating, and awesome Jewish overnight camp experience!

ARE YOU A CHEF?

**BAKER? RESTAURANT OWNER?
REALLY GOOD COOK?!**

Two years ago, we built a free-standing commercial kitchen adjacent to a half-acre organic garden for cabin groups to go to **cooking school at Camp Barney!** In past summers, Guest Chefs like **Alon Balshan** of Alon's Bakery, **Jenny Levison** of Souper Jenny's, **Matt Friedman** of Wing Zone, **Robert Adler** of Ernie's BBQ in Charlotte, **Masha Hleap** of Fuego Mundo Restaurant, **Glen Gurevitch** of Sweet Melissa's Restaurant, **Tracey Holzer**, an owner of Mellow Mushroom Pizza, **Brad Rubenstein** of the Flying Biscuit, **Julie & David Abes** of Here to Serve Restaurants, **Giuliano & Lael Hazan**, Cookbook and Television Chefs, **Barbara Vahaba**, Egyptian Chef, and many others have been Guest Chefs at Camp Barney!

If you would like to come up as a guest chef, perhaps once a week, once a session or once a summer, please email me soon. And yes, we're still compiling guest chef recipes (and even those submitted by CBM parents) for an eventual **Camp Barney Cookbook!**

FOOD, GLORIOUS FOOD!

It's true, we want kids to love the food at Camp Barney each summer! Not the taste of mass-produced institutional food, not the expectation of average school food, and not even the memory of last summer's food at CBM!

For 2015, we're working to create a significantly healthier menu and yummiier options, with less sugar, preservatives, fried food, and excessive desserts. Sure, kids are burning way more calories at camp than they are during a typical day the other 11 months of the year, but we can reduce the abundance and infuse more nutritious opportunities and provide the unexpectedly delicious foods everyone will love to eat!

New menus are being developed for meals in our dining hall, and awesome new creations will be sautéed and baked by guest chefs in our cooking school. Outdoor cooking activities will include healthier ingredients, and canteen snacks will still offer BarneyBars (one day a week) with new tasty items replacing other candy bars, and yes, "milk line" will remain (in moderation!). If you or your kids have suggestions for awesome (kosher) meals, email us the recipes!

ANYONE TAKING MEDS AT CAMP IN 2015?

Dear Parents,

We have our awesome **Marcus Health Center** at Camp Barney AND we have a **system** for your child to take medications while they're at camp, too.

Our goal is the same as yours: to administer medications in the safest, most efficient manner and to get your child back "in the game" as quickly as possible. Therefore, **we are requiring that all medications in pill form (either prescription or over the counter) that are to be given on a daily basis be packaged in "bingo cards": unit dose packaging. Essentially, daily bubble-wrapped meds.**

We have intensely researched and developed several options for you. These options are **cost-effective and convenient** so you don't have to worry while your child is at CBM. **To avoid being charged a packaging fee, please provide your child's medications per our protocol. We'll email you precise information next month.** Nearly 80% of families did the bubble-wrapped meds in 2014. We're going for 100% in 2015!

On behalf of the 22 professionals on the 2015 Medical Team at Camp Barney, we look forward to caring for your child(ren) this coming summer!

AWESOME ADVENTURES ARE EVERYWHERE IN 2015!

● OUR THEATRE PROGRAM

Our awesome Theatre Directors, Tommy Walker & Jack Spreckley, and their team, help campers perform magic in "The Big Show," camper bands, talent shows and more at the Chippie Amphitheatre every day!

● MUSIC, MUSIC, MUSIC

Returning Songleader Deddy Paz, from Israel, and others create super fun and high energy musical moments in the Dining Hall, during Shabbat Services, and everywhere else!

● WATER, WATER, WATER, WATER!

Campers can enjoy awesome aquatic activities such as paddle boating, kayaking, the Hurricane Water Slide, scuba diving, the Big Banana, the Rave Water Trampoline, water skiing, the Iceberg, waterfalls, and more! We're now on 2 lakes and 2 swimming pools, plus whitewater rafting and tubing!

● SPORTS TOURNAMENTS EVERY DAY

Campers enjoy some friendly competition on our 6 lighted and newly resurfaced tennis courts; Michael's Field for baseball and soccer; basketball, archery, floor hockey and karate in and around the Halpern Center Gymnasium and Sports Complex; plus golf, ping pong, yoga, "meatball", triathlons, ultimate Frisbee and a few new surprises in 2015!

● DISCOVERING THE GREAT OUTDOORS

From the 1000 ft. Omega Zip Line and lots of Ropes Courses to outdoor cookin', climbing the Appalachian Trail to exploring our organic garden, discovering dozens of team building group initiatives to campouts beneath the stars at CBM...wilderness adventures will be awesome in 2015!

● SABABA, DANCE, THE MOVIE STUDIO, ARTS AND CRAFTS, THE RADIO STATION, AND GRILLIN' AND CHILLIN' IN THE CAMPER KITCHEN.....

The most creative, fun staff will help campers discover their talents everywhere this summer!

● CHUGIM

Elective activities enable campers to choose their favorite things each day when they're not participating as a cabin group, and we have even more awesome choices in 2015!

2015 CABIN GROUPINGS

HOW DOES THAT WORK?

You probably know by now that there's nothing we do that's random, especially the way camper's cabin groups are formed!

Only one person puts the cabin groups together, and that's ME! No committee, no draft, no alphabetical order, no "eenie-meenie" methods! Why are we so compulsive about this? Because we have the same goal of creating the best opportunity to have the best experience. And most of the time, it works out quite well. We're ready to respond if for any reason it doesn't.

I read every Bunkmate Request on the Confidential Camper Questionnaire which you will complete next month. I look at cabin groupings from last summer and review if they were successful. I read lots of e-mail and visit with lots of families (before May 1st while we're still in our Atlanta office) and I try to know as many kids as possible. I honor requests if both campers request each other, and I try to balance new and returning campers and those from Atlanta and other cities. I consider similar interests, personalities, and needs. (It does get tricky, of course, when someone requests one friend but not another person while the friend requests the other person..... did that make sense?!)

This same energy goes into determining which counselors will work best with which age groups, specific cabin groups and various teams of staff. **We believe this attention to detail will again make a very big difference in 2015.**

DO YOU THINK YOUR CHILD IS DIFFERENT?

Does he not eat much at home?

Is she taking daily medications?

Does he have ADHD or have trouble with lots of instructions?

Does she need help organizing her things?

Is he really creative and wants activities which help express his talents?

Is she going to struggle being away from her computer?

Is he the class clown?

Is she a teen and rather challenging these days at home and school?

Is he especially sensitive to loud or obnoxious kids?

Does she think about looking like everyone else?

Is he worried about thunder or heights or horses?

Is she really, really shy?

Does he want to do lots of competitive or team sports and activities?

Does she do really well academically but not so well socially?

Is he dealing with family issues when he's at camp?

Is she always making sure everyone else is happy?

Is he concerned with feeling or being safe?

Is she sensitive to how her body looks?

Is he nervous 'cause he doesn't know anyone else going?

Is she modest and/or concerned about showering or changing clothes?

Is he a leader, full of adventure, a rule-follower, an achiever, a good friend and a little concerned about which kids he'll be with?

Stop obsessing! Seriously, we've been around a long time and we do a lot of training with our already sensitive staff to prepare for everything and everyone. Your child IS different and we're excited about the opportunity to diminish their (and your) concerns, honor their uniqueness, experience new adventures, make great friendships and have the best summer of their life at Camp Barney this summer! You'll get our Confidential Camper Questionnaire in late February. This is your opportunity to share your child(ren)'s story and you can call me afterwards to set up telephone or in-person time if you want to further chat. We will take care of every child and help them feel safe, connected, accomplished and happy!

TODAH RABAH - THANK YOU VERY MUCH!

2015. We sincerely apologize for any

omissions or errors.

We are proud of the reputation “Our Summer Place” has established as a leader among Jewish overnight camps in North America. Quality program offerings and an extraordinary staff have continued to attract campers to our North Georgia mountain retreat for more than 50 summers; but, demands on our 50-year old camp’s infrastructure have exceeded its original capacity.

Thanks to so many past and current Camp Barney Medintz families, MJCCA leaders, supporters and members of so many communities throughout the United States, our “Framework for our Future” campaign ended very successfully this past fall having raised \$7 million which will be invested back into Camp Barney and the MJCCA’s Zaban Park campus. Major infrastructure projects are now underway (including a completely new camp septic system and new roofs), vastly renovated cabins and bathrooms are scheduled for 2016, and awesome program spaces will be continuously renovated or added to our beautiful 540 acre property in the North Georgia mountains.

As always, our goal is to provide the most meaningful, comfortable, and exciting experience at Camp Barney Medintz for every camper and family!

ANNUAL CAMPER REUNION

AT STARS & STRIKES WAS AWESOME!

More than 500 people of all ages and sessions came to our annual Winter Camper Reunion on Sunday, December 21st in Atlanta. It was so great to see families from throughout Georgia, as well as from Florida, Tennessee, North Carolina, Louisiana, and Alabama.

We donated hundreds of canned foods to the **Atlanta Food Bank** - Todah Rabah! We bowled, played in the arcade, ate pizza and desserts, had raffle prize winners, saw our musical reunion slideshow, gave each camper a Reunion T-Shirt and BarneyBar, and schmoozed with each other and lots of staff who came into town to help out and be with campers. It is definitely fun to see campers between each summer at the annual Camp Barney Winter Reunion!

We're about believing that anything can be achieved through determination and enthusiasm. We're about participating in every imaginable adventure and feeling accomplished because of the effort and the experience.

We're about character, making and strengthening friendships, having fun, being comfortable with who you are and enjoying the journey to discover who you can become.
