Medications will be packaged according to the time of day to be administered (unit dosed, meaning: all A.M. meds in one card, all P.M. meds in one card). Medication packaged by Lacey Drug Company will be picked up by a Camp Barney Health Center representative before the start of camp so that your medication will be at camp when your child arrives. Or, you may also choose to return and pick up packaged medications and mail directly to Camp. **Packaged meds should arrive at Camp by June 1st for 1st session (including Kochavim A and B) and June 29th for 2nd session (Kochavim C and D).**
