Dear Camp Barney Medintz Family,

You have selected one of the most outstanding Jewish summer camping experiences in the United States! Approximately 1200 boys and girls will be participating in our 57th year of providing an exhilarating and dynamic program, under the supervision of a carefully selected and exceptionally qualified camp staff! Whether you are joining our CBM Family for the first time or have previously attended Camp Barney Medintz for many years, there remain several important bits of information for us to share with each other so as to maximize your child(ren)'s experience.

Before you know it, you'll be taking your child to the bus or flight for the trip to Camp Barney. We hope to make this summer the most incredible experience that he or she will remember for a lifetime! **This Parent's Handbook has been compiled for your reference prior to, during and even after Camp!** If I can be of further assistance, please do not hesitate to contact me at Camp once the season begins.

We are looking forward to making this summer the most meaningful and exciting experience for your family!

Sincerely,

Jim Mittenthal, M.S.W.
Director

OUR COMMITMENT: WHY WE EXIST!

1. Camp Barney Medintz will provide positive opportunities for campers to develop skills, have fun, form wonderful friendships, enhance self-esteem, and be exposed to a variety of learning experiences in a safe, exhilarating environment.
2. We will employ only those Camp staff who perceive their role as conscientious leaders of children as paramount, have demonstrated camping skills and have an understanding of Camp Barney Medintz goals, objectives and culture.
3. We will enable campers to explore and develop an understanding of our rich Jewish culture. Every camper will have the opportunity to observe the essence and beauty of the Shabbat in an enjoyable and experiential way.
4. Campers will have opportunities to participate in a full range of activities with their counselor and cabin mates, as well as the opportunity to participate in activities of their own choosing.
5. Programs and activities will also be designed to be unique from those which children may participate in when not at Camp Barney Medintz.
6. Every camper will be regularly exposed to our specialty areas including: instructional swimming, canoeing, sailing, skiing, horseback riding, camp-outs, music, dance, theater, arts & crafts, radio, video, "Sababa" Israeli Culture, tennis instruction, competitive and non-competitive sports, environmental and "mitzvah" programming, and a menagerie of aquatics adventures.
7. Experiences will be designed to enable campers to feel comfortable and more knowledgeable in the out-of-doors, to understand the delicate ecological balance of our environment and the necessity of conservation of natural resources.
8. Our Camp Barney community will reinforce Jewish values of k'vod/derech erez (**respect**), kehillah (**community**), chaverim (**friendship**), ahavat baberiot (**acceptance**), limud etgar (**learning and pursuing challenges**), ahavat erez yisrael (**Israel**), havayot simcha (**adventure and fun**), ruach (**spirit**) and hakarat tova (**gratitude**).

EVERYTHING WE DO HAS A PURPOSE!

It's true! Everything we do at Camp Barney is intentionally designed to provide the best possible experience for your child(ren). Everything! For example:

1. Meeting or exceeding nearly 600 national **"standards" by the American Camp Association**. Including staffing, medical practices, food service, housing and bathroom facilities, safety and security, water and sewage treatment, communication, transportation and programming.
2. Constructing, renovating or maintaining our huge **facility** to be exciting, efficient, comfortable and safe.
3. Anticipating and planning for the **safety and security** of our property and every camper and staff member.
4. Hiring nearly 400 mature, talented, conscientious, enthusiastic, creative and loving **staff**.
5. Creating a dynamic, **culturally Jewish experience** through Shabbat Services and Festivals, live performances, guest artists, mealtime prayers, music, dance, theater, games, stories, food, crafts, building and activity names, discussions, "Sababa", and hiring approximately 20 "Shlichim" staff from Israel.
6. Developing **age-appropriate activities** that are challenging, meaningful and exciting, which enable measurable skill development, and a blend of familiar as well as activities entirely unique to Camp Barney Medintz.
7. **Environmental awareness programs** which engage campers in our natural world and, when possible, identify connections to our Jewish culture. i.e. campouts, trips, the garden, recycling and conservation, mitzvah projects.
8. **Bunkmate groupings** which recognize the desire for friends to be together, matching similar personalities and interests, blending new and returning campers from different cities/states/countries, and placing with counselors who are perfect for that particular group.
9. **Designing systems** that simply make excellent sense like providing delicious meals (that recognize so many different needs and wants), hiring fantastic physicians and nurses, offering the most comfortable buses to/from camp, routinely purchasing new quality camp equipment.
10. **Preparing well in advance for everything** including training our staff, organizing programs, trips and schedules, reviewing all forms and information you send to us, establishing policies which enable everyone in our Camp community to feel safe and cared for, listening to feedback from families, campers and staff, being aware of global issues, risk management, and recognizing that our problem-solving skills, judgment, humor, warmth, and relationships with each child make the most significant impact on them feeling accomplished, connected and loved.

CAMP BARNEY MEDINTZ EARNS HIGHEST ACA-ACCREDITED CAMP STATUS FOR 2019

Cleveland, Georgia - Camp Barney Medintz

Camp Barney Medintz has achieved the highest level of accreditation status from the American Camp Association (ACA). Currently, only one quarter of the camps in the United States have earned this distinction.

“Over five million children attend summer camp each year,” noted John Miller, ACA Executive Vice-President. “Checking to see that a camp is ACA-Accredited should be a top priority when parents and children begin looking at summer camps.”

ACA’s accreditation program requires review of every facet of the camp operation. Over 600 standards related specifically to camp are required concerning the operations of site and facilities, personnel, programming and activities, health care and management practices. A camp must comply with every applicable mandatory standard. These standards relate directly to health and safety issues. In addition, camps must achieve a score of at least 90 percent of these mandatory standards to earn accreditation. Camp Barney Medintz “far exceeds” this score.

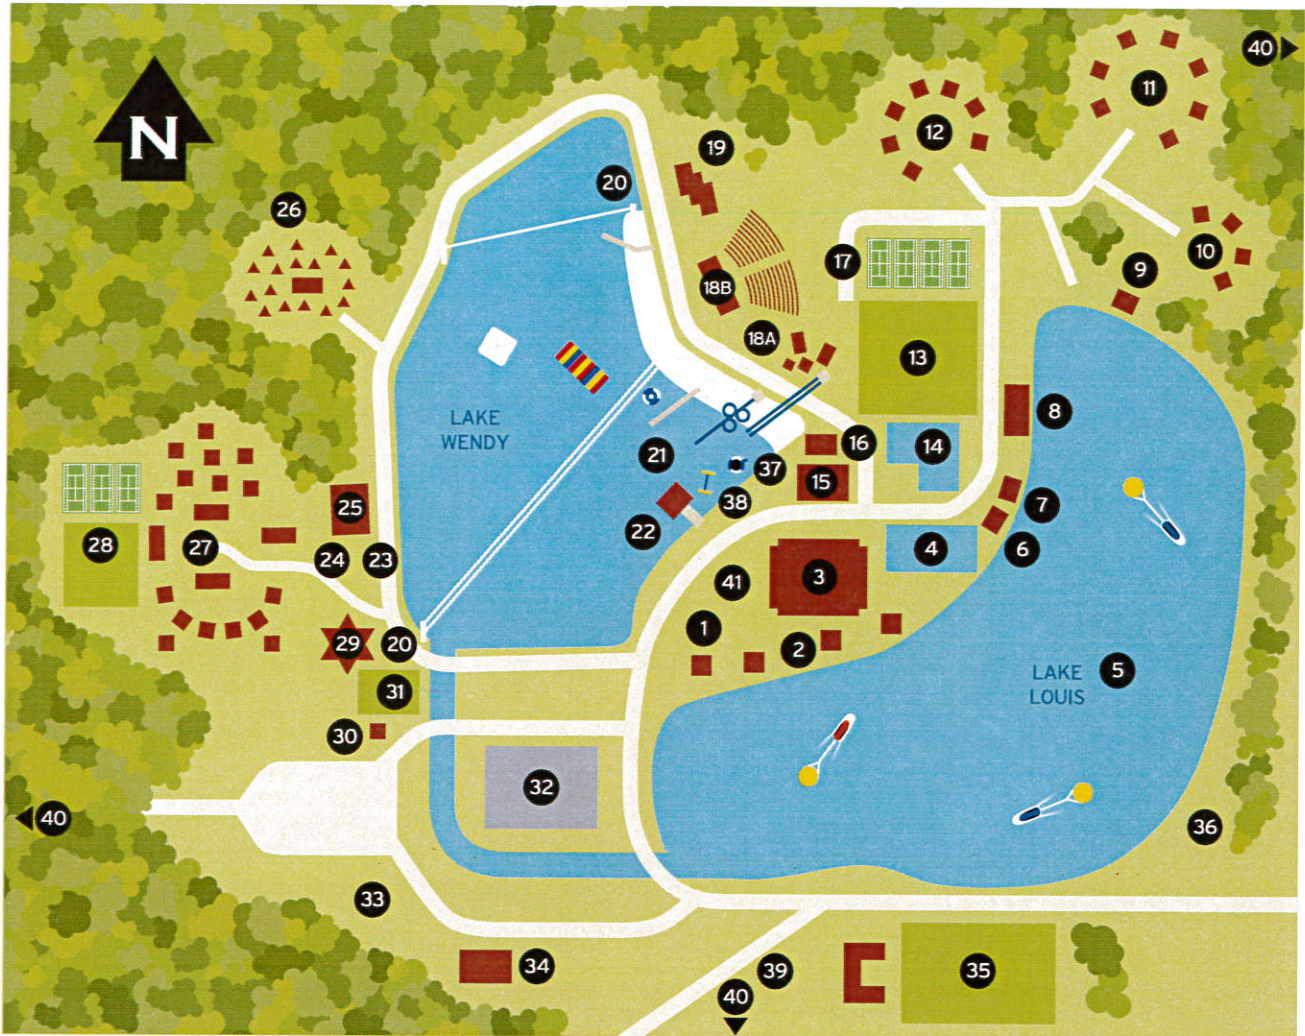

Every three years, trained ACA camp professionals not affiliated with the camp seeking accreditation, observe the camp while it is in operation and compare its practices against the standards for the industry. They scrutinize every aspect of the staff, facility, medical services, food service and supplies and equipment for each program area in camp.

By becoming accredited, Camp Barney Medintz has demonstrated it is committed to the highest standards established for the camp industry. “ACA’s standards program is nationally recognized and constantly updated to reflect the latest state-of-the-art in camping.”

“Parents can be certain by choosing this accredited camp, many important questions have already been asked - and satisfactorily answered - in ways that show the management cares about their children,” Miller said.

The American Camp Association is an 8,000+ camp member, not-for-profit organization committed to the continuing values and benefits unique to the camp’s setting. Its membership encompasses all segments of the camp movement including not-for-profit agencies, private, entrepreneurs, religiously affiliated organizations and public/municipal agencies.

LUGGAGE AND LUGGAGE TAGS

Campers **MUST** pack belongings into **DUFFEL BAGS OR ANY TYPE OF SOFT-SIDED LUGGAGE**. **DO NOT** send trunks. (It takes up so much more space at camp to store hundreds of trunks!) Please complete the information on the **LUGGAGE TAGS** (which are color-coded for arrival and departure) when they are emailed to you in May.

AIR TRAVEL

BY AIR

Please arrange your camper's flight arrival time into Atlanta between 11:00am and 1:00pm on the first day of camp and departure time from Atlanta between 11:00am and 1:00pm on the last day of camp. Delta Airlines is our preferred airline, though their schedule may not work within these time constraints. Arrival time into Atlanta is important so that there is ample time to meet and gather all campers, load luggage, and arrive at Camp simultaneously with other campers. For cities where we anticipate large numbers of campers flying we have posted a list of preferred flights on www.campbarney.org in the Current Families Section under Getting to Camp and Camper Luggage. On the last day of Camp, we will escort campers **directly to their gate** and ensure that their luggage accompanies them on their flight.

*****IMPORTANT INFORMATION*****

All campers aged 14 or younger on Delta, United and American, and 11 and under on Southwest, not being accompanied by an adult, must fly on "Unaccompanied Minor" status. This status requires an Airline representative to be responsible for your camper from the time they board the plane until CBM staff meets them at the gate. There is an approximate \$150 fee per child (each way) associated with this status. When you make your reservation, list the person meeting at arrival" as "TBD" (To Be Determined). If the airline does not accept this, give them your own name. Once we have established which staff member will pick up your camper from the airport, we will contact you. At that point, you will need to call the airlines and give them that staff member's name and information. We will give you that information before departure. At check in please pay the Unaccompanied Minor fee at the ticket counter at your departing airport. You **MUST** pre-pay this fee for the RETURN trip for your camper(s). **Get a printout** of the fee receipt and **put it with their return ticket**. This will be the **ONLY** proof that you have paid this fee. The airline may ask for proof of payment when checking in for the return flight. Without this proof of payment, you may have to return to your departing airport to get this receipt. Families are responsible for these and other airline-imposed fees. Be sure to let us know if you will be flying with your camper.

Please instruct your child to give his or her ticket and all receipts to our staff when met at their gate on the first day of camp. They will be stored in our Camp safe and returned to campers as they check in on the last day of camp.

The airlines have tightened restrictions on baggage, including the size and number of bags. Please make sure you are aware of these restrictions before sending your child to camp. Please also limit carry-on bags to what your child can easily carry and ensure that it is within the proper size limitations.

To give you more options, we have contracted with **Integrated Freight Logistics** which may make it easier and more cost effective to get your bags to Camp and back home again. Please see their website for more details: www.shiptocamp.com/campbarney. Other options are listed on the travel form in your camp account.

REMEMBER: PAY YOUR CHILD'S LUGGAGE FEES FOR THE RETURN TRIP WHEN YOU CHECK IN. ATTACH THE RECEIPT TO THE RETURN TICKET.

LUGGAGE AND LUGGAGE TAGS

Campers **MUST** pack belongings into **DUFFEL BAGS OR ANY TYPE OF SOFT-SIDED LUGGAGE**. Please only send 2 bags per camper. Please complete the information on the **LUGGAGE TAGS** (which have been color-coded for arrival and departure) when they are emailed to you in May and attach them to your child's bags.

If you are shipping your luggage, please have it delivered to camp on the Tuesday or Wednesday before your session starts and picked up after 3pm on the last day of your Camp session. We have again partnered with **Integrated Freight Logistics** (www.shiptocamp.com/campbarney), a luggage shipping company. Please consider using them. They make shipping luggage very easy for you and us.

MEDICAL INFORMATION

Our goal is to provide a safe and healthy environment for your child.

A. HEALTH CENTER AND MEDICAL STAFF

The Marcus Health Center at Camp Barney is centrally located. It is "antiseptically" clean, air-conditioned and well-equipped.

Our medical staff includes a resident physician and five to seven registered nurses (RNs) each session who live at Camp and are on-call 24-hours a day. A network of medical care facilities is also available: medical clinics are located 4 miles away in Cleveland, 25 miles away in Gainesville and 60 miles away in Atlanta; dentists and orthodontists are also available in these locations. Additionally, many Camp Barney Medintz staff become trained and/or certified in first aid prior to your child's arrival.

Campers receive excellent medical attention. Whether they take daily medications, require treatment or need to be admitted for an overnight stay, their health and safety is always our primary concern. **If a camper develops an illness which requires a prescription medication, a change in medications or an overnight stay or outside consultation a call will be made to the camper's parent(s).**

B. REQUIRED ANNUAL MEDICAL EXAMINATIONS

All campers must have a medical exam by their physician prior to their arrival at Camp. The *Health Form(s)*, are due by **April 1, 2019**. **Campers will not be permitted to attend Camp without a completed Health History Form, Physician Examination Form and Immunization Form.** If you have any comments regarding Health Forms, e-mail cbmforms@campbarney.org.

C. FLU SHOTS!

We recommend each camper and staff member have a current annual flu vaccination. **Everyone must be screened by physician and/or parents prior to arrival to diminish and/or eliminate the spread of Influenza to our Camp Barney community and be free of fever for 24 hours without any fever reducing medication.** Thank You!

D. MEDICATION

Any camper who takes medication, either over the counter or prescription, while at Camp must have it filled and packaged through LTC/Camp Scripts. Orders are due to LTC/Camp Scripts by May 3rd for first and A session campers, May 17th for B session campers, May 31st for second and C session campers and June 14th for D session campers. All information about taking medication can be found on our website at www.campbarney.org/current-families/healthy-campers.

Please remember, we cannot accept medications at the bus unless you have prior approval (including refrigerated meds). To request prior approval, please email Marcushealthcenter@campbarney.org. If medications are brought on opening day without prior approval, we will hold out 3 doses and require that the script be rush ordered and filled by LTC/Camp Scripts and shipped directly to Camp. Any expedited fees will apply. Packaging through LTC/Camp Scripts will ensure safe and efficient medication administration for your child.

E. LICE POLICY

All campers are screened for lice by our medical staff and trained professionals from HBI Lice Removal Service (www.hbiliceremoval.com) immediately upon their arrival and prior to moving into their cabins and unpacking their luggage. Please help us by checking your child prior to their arrival at Camp. If your child is found to have nits or active lice, there are two options:

1. Lice treatments and services will be provided at Camp. Your child will be able to return to their cabin once the treatment is complete. HBI Lice Removal Service will recheck your child in 3-7 days and guarantee their treatment. Payment arrangements are contracted directly between HBI and the camper's parent(s), and are due prior to treatment being performed.
2. If you do not wish to use HBI Lice Removal Service, your child will need to return home for treatments and may return to Camp after they **receive two treatments and a signed letter from their doctor indicating they are lice and nit free.**

F. GLASSES

It is extremely important that your child bring a 2nd pair of glasses to Camp (or you should send an eyeglass prescription to our Atlanta office by June 1st). Should glasses break, it is very difficult to enjoy Camp, and they should be replaced without delay.

G. BRACES

Please provide ample "bees wax" to help your child during moments of discomfort. There are dental professionals in our local town near camp should a wire protrude or break. Please help your child maintain his or her braces while at camp.

H. MEDICAL INSURANCE

Camp Barney Medintz does not provide medical insurance. All campers must be covered by a health insurance plan or they will not be permitted to attend Camp. Expenses applied toward family's insurance include visits to an out-of-camp clinic or hospital and **prescribed pharmacy medications.**

I. AUTHORIZATION The Camp Director is authorized to use his judgment in arranging for campers any medical care not available in the Marcus Health Center which, upon the advice of the Camp Doctor, he or she deems necessary. **Parents agree to pay all expenses involved, and not covered by your family insurance, including insurance co-payments.**

Dear Camp Barney Medintz Family,

On behalf of all our Physicians and Nurses who will be in-residence throughout this summer, we want to welcome you to a safe and very exciting 2019 Summer Season.

Each of the Medical Staff who will be at Camp Barney, many of whom are alumni, have committed to provide our skills, dedication and care to every camper and staff member to assure that our camp community is a safe, healthy, exciting land enriching experience. Collectively, we have been a part of Camp Barney for about 120 years! Individually, we've each averaged about 8 years in-residence. We are indeed privileged to spend our summers with your kids.

Be sure to thoroughly complete your camper's Medical Forms in your Camp Forms Dashboard. This information will be useful to our Staff in assisting your child(ren) should medical attention be required. Obviously, the data you and your physician input on the forms must be current and comprehensive. Any changes in medications or other special circumstances, which arise after submitting your form and prior to Camp's commencement should be conveyed to our medical staff. Of course, we will also be in touch with you should we have questions or wish to discuss your child's health.

Speaking for the entire Camp Barney Medintz Medical Staff, we are looking forward to another wonderful summer!

Sincerely,

THE 2019 CAMP BARNEY MEDINTZ MEDICAL STAFF

TELEPHONE

The Camp Barney Medintz summer telephone number is **(706) 865-2715**. Our office hours are **9:00am to 8:00pm (EST) Sunday through Thursday**, and **9:00am to 5:00pm (EST) Friday** and **11:00am to 5:00pm (EST) on Saturday (Shabbat)**. You may telephone us any time during Camp! We may also wish to contact you so that together, we can ensure the most successful experience for your child. Should you need to call **during office hours**, a return call to you will be made that same day unless you specify urgency, and then the Director or another Camp administrator will be sought immediately. (Remember, we're a 540 acre facility and camp administrators may be far from the office when you call, with campers, at programs, etc.)

Should you have an urgent need to call **after office hours**, (8:00pm), your call will be forwarded to one of our directors' mobile phones. If the director does not answer immediately, please leave a message and the director will call you back as soon as possible.

Parents are not permitted to communicate with campers via telephone unless parents indicate urgency to the Camp Director. Parental phone calls often interfere with camper adjustment and scheduled activities and trips.

CAMPERS ARE NOT PERMITTED TO BRING CELL PHONES TO CAMP.

MAIL

A steady flow of mail to/from home can make a world of difference in your child's positive feelings about Camp and home. (Some parents even arrange for that first letter to be at Camp upon the child's arrival!) It will be delivered upon their arrival. Camper "letter-writing" days (otherwise known as "meal tickets!") occur twice a week: **Mondays & Thursdays**.

PLEASE WRITE TO: **CAMP BARNEY MEDINTZ, CABIN # _____***
4165 HWY 129 NORTH
CLEVELAND, GA 30528-2309

(Please make sure the **camper's cabin # is written on all correspondence after your child indicates the cabin # in his or her first letter home to you!).*

The first two letters home from your child will be written, scanned and emailed home to parents by Wednesday of his or her first week of camp! Other hand-written and mailed letters from campers make take several days to arrive – local post offices are historically slower than bigger city post offices.

Though sometimes the first letter home might indicate a difficult adjustment, homesickness, etc., a more revealing view of your child's early camp experience could be represented in his or her second letter. Nevertheless, if you're deeply concerned, please call and we'll do some quick research!

PARENTS MAY EMAIL your child(ren) as often as you choose! Information about the process and cost are included on the following page. Call us if you have questions!

ONLINE PHOTOS....ONE-WAY EMAIL....NEWS!

This form is all about staying in touch with your child(ren) this summer while they're at Camp Barney!
Our system is very easy to use!

ONE-WAY EMAIL:

Faster (for you) to write your child(ren) as often as you want! Email is printed and delivered to campers just like regular mail – each day after lunch. Purchase “**CAMPSTAMPS**” packages in CampMinder and save money.

ONLINE PHOTOS:

We'll take pictures throughout the session of kids, activities and events and post them online for you to see and purchase. Pictures for the younger campers (Kochavim, Rishonim, Shomrim, Giborim, Chaverim and CBM Experience) will be posted on Mondays, Wednesdays and Fridays, and pictures for the teen campers (Tsofim, Alufim, JIT, SIT and Chalutzim) will be posted on Tuesdays, Thursdays and Sundays.

NEWS:

This summer, we'll be writing Camp Barney families with a new Shabbat blog! Look for these articles written by various contributing staff and campers online while you're checking out photos and ordering “campstamps!”

It's easy to get started and NOW become part of our exciting online community!

1. Visit www.campbarney.org.
2. Click on the CBM account login link. This will prompt you to enter your email address and password. This process is designed to be safe and secure – by limiting access of “our” children's pictures online and your credit card information.
3. Once you are logged in, you will see our Online Community section where you can view more photos, send your child(ren) one-way emails, and read our weekly online news.
4. When you click on the one-way email link, the system will guide you through the process of purchasing “**campstamps**” to send emails as often as you'd like throughout the session to your child(ren). “**Campstamps**” are priced as follows:

10	campstamps	\$10.00
15	campstamps	\$14.00
20	campstamps	\$18.00
30	campstamps	\$25.00
5. When you click on the photo link, you can view pictures that we'll post three times a week! To purchase these photos, click on the small **shopping cart** under the photo.

If you need help with anything regarding your online account, click on the **HELP LINK** at the top right of the screen and browse the FAQs. If none of these answer your questions, click on the **HELP TICKETS LINK** and create a help ticket. These help tickets will be sent directly to our technology partner (for online camp applications, photos, email, etc.) **CAMPMINDER**, and will be answered in 24 hours.

We are so excited to share the summer with you and your family at Camp Barney in 2019 and now, it's even easier. We'll “see you” soon!

WHAT TO BRING

For your convenience, a suggested **clothing and equipment list is provided in this Parent's Handbook**. Please be sure each item is clearly marked with camper's name. Duplicating this list and placing it inside luggage facilitates easier packing at the end of the session. Ample built-in "cubby" space is provided in each cabin for storage.

The temperature at Camp is quite nice, allowing for shorts and T-shirts during the day (85-95 degrees). Slightly warmer clothing may be recommended during the evenings (65-75 degrees). All clothing and personal items should be plainly marked with indelible markers or sewn-on tags. Please limit luggage to (2) pieces per child: Please use duffel bags or any other type of soft-sided luggage. We recommend you send old clothes as most activities occur outdoors and campers enjoy the freedom of not worrying about stains or the "impact of Georgia red clay!" We also recommend that children assist with packing their luggage. **Laundry** will be washed three times during each four-week session and twice during each two-week session.

LIST FOR ALL 2 AND 4-WEEK CAMPERS:

FOOD AND PACKAGES

Camp Barney's package policy is meant to balance the needs and wishes of parents, campers and staff with safety, kosher dietary laws, wildlife, and feasibility of distribution. We understand that it is fun for parents, relatives and friends to send things to their campers while they are at camp, but we need to control what is entering camp.

Packages cannot contain food for a variety of reasons. WHY YOU ASK?!

- (1) The most important reason is that with the prevalence of **food allergies**, sending food to your child may put others at risk. We want to keep all campers safe and the presence of a particular food can turn into a life threatening situation.
- (2) Camp Barney is a kosher camp and we have many campers who follow kosher dietary laws throughout the year, so we choose to be respectful of them.
- (3) While at camp, your child is living in the woods. Having snacks or candy attracts **mice and other "wildlife"** into cabins which is uncomfortable for everyone. In the event that we believe that a package contains anything that could lead to a problem, we will open the package and deliver only everything that is appropriate for your child.

We appreciate your cooperation with this package policy. We are seeking to balance the enjoyment that campers have when they receive mail from their families and friends with the risks associated what comes into camp, and believe this policy achieves those goals. Thank you.

Please be aware that "Sealed with a Kiss" offers camp friendly care packages. Please go to www.eswak.com and find something that will be fun for your child.

CANTEEN

CANTEEN includes approximately one snack item per visit, six days per week. (The Canteen Fee also includes laundry, Camp T-shirt, and special camper trips out-of-camp).

Items available in the canteen may include: fresh fruit, BarneyBars (only on Sundays), Clifbars, Kind Bars, potato chips, cookies, Fruit Roll-ups, animal crackers, granola bars, protein bars, fruit juices, etc. Gluten-free, nut-free, and dairy-free canteen will be very clearly indicated and available.

LAUNDRY

During each 4-week session, campers will have their laundry cleaned three times (and twice during the 2 week sessions). A professional laundry service from our local town of Cleveland “washes, dries and folds” the contents of each camper’s clearly marked laundry bag and returns clothes the next day. Please make sure your camper’s laundry bag is made of a durable material. Mesh bags do not hold up well over the course of the summer, and do not help to protect the clothes inside. CBM laundry bags are available for purchase prior to camp. For more information please check our catalogue.

LOST AND FOUND

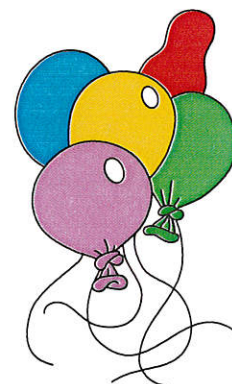

Lost and Found items are displayed throughout and at the end of each session and counselors will make every attempt to help campers locate misplaced items on a daily basis! CBM cannot assume liability for the loss or damage of personal items. **Please label everything!**

PHOTOGRAPHS

Camp Barney Medintz may use any individual or group photographs of campers taken at Camp during the summer for public relations purposes. Only enrolled CBM families and their invited guests have access to these same photos throughout the summer.

BIRTHDAYS

A wonderful celebration awaits campers whose birthday occurs during their session at Camp, including yummy cake for their cabin and lots of singing by everyone in Camp! (Please highlight this on the “*Confidential Camper Questionnaire*”). **Unfortunately, telephone calls are not permitted on this special day as campers may be on a trip, campout or other activity.** Instead, please consider letters, cards, non-food packages, “Sealed with a Kiss” gifts or e-mails!

BUNKMATE REQUESTS

Space is provided on the “*Confidential Camper Questionnaire*” for you to provide your child’s bunkmate request. Such requests will generally be honored if both families make the same request, unless there is a significant disparity in ages or grades. Some campers request to be bunked with several other children. Because of various cabin sizes, CBM can only commit to facilitating one request per camper. We try to honor old friendships, encourage new ones, and create a cabin group that will enable a fabulous experience for each child.

BAR/BAT MITZVAH

For campers whose Bar/Bat Mitzvah date falls before the end of December 2019, Camp Barney Medintz can make arrangements for your child to receive additional “coaching” from our resident Judaic Educators for up to two hours per week while at Camp **at no additional cost**. If you choose, a donation to CBM for this service would be welcomed and appreciated! Your donation will be dedicated to our CBM Jewish Cultural Fund.

Arrangements can also be made for such a “Simcha” should you choose to have your special occasion actually celebrated during available weekends at Camp Barney! (See “Retreats” Page 26). Please contact the Camp Director for information about availability, schedule, activities, accommodations, catering, costs and any other special arrangements.

TIPPING

In keeping with the philosophy of Camp Barney Medintz and the guidelines of the American Camp Association (ACA) who annually accredit CBM, gratuities are not accepted. If you truly wish to acknowledge a staff member, you are welcome to make a donation to the Camp Barney Medintz Fund in their honor. Your thoughtful gesture will be acknowledged in total staff gatherings and in subsequent CBM newsletters!

VISITATION

There is no visiting for enrolled campers DURING Camp sessions. We maintain this posture to ensure a continuity of experience away from home, and to provide an environment to our community that suggests safety and familiarity. However, we do welcome families who wish to visit Camp on our **four Open Houses: (Before camp) Sunday, May 5th and Sunday, May 12th and (After camp) Sunday, August 25th and Sunday, September 8th** Come with a bathing suit, tennis racquet and picnic lunch - we'll provide beverages, desserts and the "deluxe tour!" (Over 100 families usually visit during each Open House!)

SECURITY

We have an electric security gate at the entrance to Camp Barney. This is to provide better protection to our Camp community. The security code is available to our staff, selected vendors and anticipated visitors. (There is no intercom at the gate connecting a visitor to the office). This entrance gate is approximately one mile from the beginning of the Camp facilities and activities. Many other "seen and unseen" security measures are also implemented at CBM throughout our camp season.

CAMPER REPORTS

A Progress Report is written for each child by his or her counselor during each session. Information pertaining to your child's adjustment to Camp, behavior, interactions with other children, response to various programs, routines and staff are included. Families who wish to share feedback from their child's camp experience are encouraged to contact the Camp Director following the summer (**beginning in October**) to set up a telephone or personal appointment.

CONFIDENTIAL CAMPER QUESTIONNAIRE

Thank you for completing the "Confidential Camper Questionnaire" which you received in February. Your responses and "mini biography" will help us immeasurably as we design cabin groups and prepare for your child's emotional, physical, recreational and social growth! Please send any updates you feel are important for us in providing a positive experience for your family.

PAYMENT SCHEDULE AND CANCELLATIONS

FEES: Registrations are processed with a non-refundable deposit accompanying the Application Form. Payment in full must be made by **April 1, 2019**. These arrangements are made in order to be fair to those who are on waiting lists. Payment plans are available. **Unless prior arrangements have been made, families who have not made payment in full by April 1, 2019 may lose their space at Camp to another child who is on our waiting list.**

SCHOLARSHIPS AND DONATIONS

SCHOLARSHIPS: Scholarships and the One Happy Camper and P.J. Library Incentive Grants may be available. Out-of-town families may wish to pursue grants, endowments and scholarship opportunities through One Happy Camper, local JCCs, Jewish Federations, Jewish Family Services, Regional Foundations and Endowment Funds, Temples and Synagogues. For more information, you are welcome to pursue a confidential conversation with Jim Mittenthal, M.S.W., Camp Director at (678) 812-3840 or Susan Berger, Associate Camp Director at (678) 812-3843

DONATIONS: For those families who wish to make a tax deductible donation to the **ANGELS FUND**, (providing camper scholarships to members of the Marcus Jewish Community Center of Atlanta), or to the **CAMP BARNEY MEDINTZ FUND**, or create an **ENDOWMENT**, please contact Jim Mittenthal, CBM Camp Director at (678) 812-3840, or mail your thoughtful and generous contribution to the CBM office in Atlanta. Every gift is so appreciated and will be appropriately acknowledged. Todah Rabah!

PARENT'S ROLE

We appreciate the confidence you have demonstrated in Camp Barney Medintz by enrolling your child(ren) in one of our summer sessions. In a sense, we are partners in this great adventure since we are all concerned with the safety, growth and care of your child(ren)! Your assistance in preparing the Camp Director and staff with important information pertaining to your child(ren) during Camp and providing general feedback on our entire operation following the summer and throughout the year is genuinely appreciated.

ADJUSTMENT TO CAMP

Upon arrival at Camp Barney Medintz, it is common for all campers - new and returning - to require some adjustment. Some campers may immediately become homesick and might express feelings in the first or second letter home to you. In fact, homesickness is NORMAL! It's often about being away from all that is familiar and suddenly encountering new places, new faces, new systems and a change in routine. It's common for adults, too!

Experienced campers may initially compare their first impressions to a previous counselor, camp, or fellow campers. Also NORMAL! Some kids adjust sooner than others but, generally, campers become truly comfortable when more and more about Camp becomes familiar.

Our Staff will be ready to respond to campers upon their arrival. Some kids need "quiet time" at first with reduced instructions and stimuli, and some want to know "everything right away!" Still, others feel fine once they are "connected" with the counselor, campers in their cabin, the Health Center, cubby space/bed, facilities and activities and routines. That's why the "First Letter Home," especially if "distressful," is often a very premature (and sometimes a very dramatic) reaction! Wait for the "second letter home" and call us if you're still concerned.

Meanwhile, you may choose to build excitement and/or reduce anxiety by doing some pre-camp preparation. Express your confidence in your child's ability to take care of himself or herself, knowing that asking for help is perfectly OK. Send along familiar items from home. Talk about the adventures awaiting your child, reuniting with old friends or making new ones (and which qualities your child possesses which other kids would be drawn to). Consider visiting Camp Barney Medintz during our two **Open Houses**. This opportunity will not only "diminish the mystique" of sleep-away camp, but also enable the whole family to familiarize with and play at Camp! (This opportunity annually welcomes many new and returning CBM families).

Help your child understand our **THREE RULES** at Camp Barney Medintz:

(1) There is no abuse to living things; This includes : physical, psychological, emotional, sexual; bullying, sexual harassment, neglect, exclusion, etc.

(2) There is no abuse to the environment; This includes: purposely damaging our natural environment, other camper's or staff's property, or Camp Barney property.

(3) No illegal drugs or alcohol are permitted on CBM property. Campers who violate these rules will be returned home immediately without refund. (And, see "What NOT to Bring" on page 19.)

If you wish to discuss your child's experience at Camp, you are welcome to call the Camp Barney Medintz Camp Director, write your concerns in the "*Camper Confidential Questionnaire*," or schedule an appointment with the director in person in the Atlanta Camp Barney office with your child **prior to May 1st** and we'll determine together how we can best help your child have a fabulous experience at Camp Barney Medintz.

LIMITS AND CONSEQUENCES FOR CAMPERS

Camp Barney Medintz is dedicated to providing a safe environment where campers can grow, learn, play and discover. Kids understand that there are certain rules at Camp, which help to ensure that in this place, they will indeed feel physically and emotionally safe. They are generally terrific about following these rules and embrace our high standards of how we treat each other in our “community” each summer at Camp Barney. We need your help as parents to continue this great tradition by preparing your child(ren) for the limits and consequences of behavior at Camp.

1. WE WILL RESPECT ALL LIVING THINGS – K’VOD: “RESPECT”

We have created an expectation of RESPECT of all living things at Camp Barney, which means that no person, camper or staff member will ever hurt another person physically, sexually or psychologically. We will treat all animals with respect, too. In communicating our seriousness about this, all staff members are repeatedly told (during their interview, on their employment contract, during our pre-camp training sessions, throughout the summer) that they will be dismissed immediately should they break this rule. Similarly, campers know that the Camp Director will call their parents and, in all likelihood, they will need to be sent home, without refund, should they break this rule.

2. WE WILL RESPECT THE ENVIRONMENT – K’VOD: “RESPECT”

We are protective of SPACES at Camp Barney: the natural spaces which grow all around us, the activity spaces we use for all of the adventures at Camp as well as one’s bed and cubby to keep personal possessions. We will ensure that these spaces will be protected from deliberate destruction or intrusion by reinforcing everyone’s right to feel safe. We will have your child phone you to explain his or her actions should this rule be violated and together, you and the Camp Director will determine if the consequence is to return home, pay for identified damages, etc.

3. ALCOHOL AND ILLEGAL DRUGS

Campers need to know that while they are with us, they are completely safe from the effects of alcohol and other drugs. They know that the staff will always be and “on duty” in Camp and we require the same things from our campers. Therefore, alcohol and other drugs may not be possessed or used at Camp Barney Medintz and the consequence for possession or use will be immediate expulsion from Camp, regardless of time of day or inconvenience to the camper’s family. Additionally, any form of e-cigarettes are not permitted

Cigarettes are considered a dangerous possession for campers at Camp. They endanger a child’s long-range health and they pose an immediate danger of fire. No camper may possess any smokable substance, matches or lighters.

4. SEXUAL BEHAVIOR

Campers in our older units will be told that Camp Barney is a place for them to grow, learn, and explore their own capabilities and their relationships with others. They will be told that Camp is not a place to experiment sexually. They will hear that any behavior beyond discreet hugging and kissing (fully dressed of course) is not permitted.

When we talk about this at Camp, it is in the context of creating an emotionally safe place. We want kids to get a break from the sexual pressures they are exposed to from social media and electronic sources, movies, school, TV and elsewhere. We are trying to give them a chance to be a kid in a way that is responsible but not prematurely adult. Furthermore, we are not telling kids that sex is “bad” or “immoral” but rather, we believe that Camp is not the place for them to advance themselves sexually.

This is a challenge for some campers to accept, particularly if they are already sexually active at home. It is also a challenge for campers to feel peer pressure to try new things at Camp. We believe that if we set up a clear limit on sexual behavior, kids will be able to use our official rule as a way to say “no.” If campers exceed this limit, they will meet with the Camp Director to discuss the implications of their behavior which will include calling you or even being sent home, depending on the situation.

5. “SNEAKING OUT”

Sneaking Out is when kids leave their cabin at night and go somewhere else. For some, it’s a playful way to flaunt the “Authority” at Camp. (Especially if their parents share childhood stories of their days at Camp!) For others, it is a way to rendezvous with campers in another village or even “prank” another cabin. But whatever the motivation, “sneaking out” is unsafe behavior and do not allow it.

Running through the woods at night is clearly unsafe. And, we are concerned about what it feels like to be a child, asleep in a bunk at night and to have other kids come bursting in. Or, to discover your possessions have been tampered with or destroyed (see Number 2).

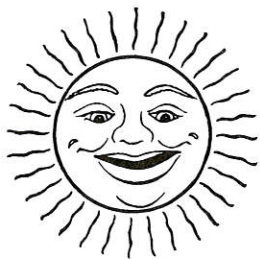

We hope that you will explain this to your child before he or she comes to Camp. We have lots of well-planned adventures for kids at Camp Barney, under the supervision of our staff. We want campers to understand that this rule against sneaking out is for both their own safety and the emotional safety of everyone else at Camp, and if they cannot live within this limit we may have to send them home (with no refund, of course). As a way of communicating how seriously we take the issue of safety at Camp, we will have your child call you to determine if he or she is capable of remaining at Camp and following rules.

6. THE INTERNET!

Cyber-bullying is out there and we must be committed to being aware of and eliminating this destructive communication. **Facebook, Twitter, Instagram** and other social networking sites are excellent forms of communicating, posting photos and information. But, revealing inappropriate photos and information is potentially dangerous and “forever accessible.” Campers and staff must remove any inappropriate content to protect themselves. (NOTE: www.campbarney.org is the only “official” Camp Barney Medintz web site and FaceBook.com/Camp Barney Medintz is the only official Camp Barney Medintz Facebook site).. **Cell phones and devices with a screen that connect to the Internet** at camp are a bad mix and they are not permitted by campers. You trust us to care for your child(ren) and encouraging them to experience and grow without routine communication that you enjoy the other months of the year. And, with most cell phones having photo and movie capabilities, and internet access, we must protect campers from the potential of inappropriate pics and abuse which, if uploaded on the internet, is destructive and “forever accessible.”

7. PARENT INVOLVEMENT WITH CONSEQUENCES FOR CAMPERS

One of the goals at Camp Barney is to help children learn to be responsible for their own behavior. Consequently, in most situations, the Camp staff will try to solve behavioral problems without calling parents. This is different if a child exceeds the kind of limits discussed here. In those cases, parents will share in the consequences. Again, we feel that kids generally do a great job of respecting these limits which ultimately helps protect everyone’s emotional and physical safety in our camp community. Please go over these “Limits and Consequences” with your child(ren) so that Camp Barney remains a place that is safe, incredibly fun and feels good for everyone!

FAMILY CAMP

It's like four weeks of Camp Barney squeezed into four days and three nights of fun and "freylach," all amidst the beautiful North Georgia Blue Ridge Mountains! Some activities are designed just for kids, some just for parents, and some for the whole family. Swimming, boating, tennis, water-skiing, crafts, rock-climbing, bar-b-ques, "The Blob," and much more! All lodging, buffet meals and activities included.

The weekend begins with a special Shabbat dinner which creates a warm mood to reinforce the Judaic spirit at Camp Barney Medintz. Each family lodges in a variety of accommodation options. Space is limited for these annual and unique family vacations. **This summer, we are excited to offer our annual Family Camp: Labor Day Weekend, August 30 – September 2, 2019.**

RETREATS

Camp Barney Medintz is available for organizations and special occasions during several non-summer months each year. Special fees include all lodgings, meals and activities. If you are interested in reserving a weekend in the magnificent North Georgia Mountains for your group, family reunion, wedding, Bar or Bat Mitzvah between mid-August and mid-September please call the Camp Barney office at (678) 812-3844.
