Camp Barney Medintz is located in the North Georgia Blue Ridge Mountains on 540 spectacular acres, surrounding two private lakes. Since 1963, Camp Barney has offered the most meaningful and exhilarating Jewish overnight camp experience for boys and girls completing 2nd–11th grades. Our campers come to CBM from all around the country to experience the magic of Our Summer Place.

Our facilities are extensive, comfortable, and beautiful. Our endless activities and off-site trips are sequentially designed to be exceedingly safe, exciting, and age appropriate. Campers always look forward to the added activities that the next summer brings, from trying the “Omega” zip line and hiking the Appalachian Trail to going whitewater rafting, experiencing a solo overnight, and more.

Our culture of respect, compassion, spirit, and community permeate every program. Carefully selected staff lead, support, and embrace every child as they pursue new challenges, gain self-confidence and independence, reinforce their Jewish identity, and develop lifelong friendships.

We know that overnight camp is a big decision for your family. Thank you for allowing Camp Barney to be part of your child's journey while having the most meaningful summers of their lives.

On behalf of our Camp Barney Medintz team, we look forward to sharing Our Summer Place with you and your family!

— JEWISH LIFE —

Jewish customs, traditions, and culture are woven into each day at Camp Barney, instilling in our campers a lifelong connection to their Jewish identity, Israel, and our global Jewish community. For more than 50 years, our campers have been enjoying Jewish music, Israeli dance, Israeli culture, saying the blessings before and after meals, and special programs like Israel Day. Jewish life is an integral part of the everyday magic of Camp Barney Medintz.

Shabbat is a special time, one that campers will remember long after their camp days are over. Our campers hold on to the special feeling of singing prayers in the Doris Zaban Chapel, overlooking the lake, with the voices of hundreds of campers joining them. The whole Shabbat experience offers a sense of ruach and spirituality. On Saturdays, whether playing basketball, going on a creek hike, or splashing in our two pools, our campers know it is Shabbat, a day of peace and relaxation. We join together as a camp on Saturday nights to conclude Shabbat with Havdalah.

Here at Camp Barney Medintz, we inspire and solidify campers' connections to their Jewish heritage, creating a lifelong connection to our Jewish community.

"CBM GAVE ME ROLE MODELS OTHER THAN MY PARENTS, AS WELL AS THE ABILITY TO BE A LEADER WITHIN MY CABIN AND AS A COUNSELOR. IT MADE ME ADVENTUROUS, CURIOUS, CONFIDENT, INDEPENDENT, AND WAS A HUGE SOURCE OF JOY IN MY LIFE."

— Jacob M., long-time Camp Barney camper and staff member

HEALTHY CAMPERS

We provide a safe and healthy environment for all our campers. Our modern Billi and Bernie Marcus Health Center is a state-of-the-art, air-conditioned facility that is staffed by a resident physician and six registered nurses every day, all of whom live at camp. The medical team is available 24 hours a day to handle a range of services, including managing health care and the distribution of medication. Specific case management allows us to assist campers with allergies and other health issues.

We work closely with families to ensure every camper has a safe and happy summer at Camp Barney. EMTs and urgent care facilities are three miles away and the local hospital is nearby.

— OUR STAFF —

Paramount to every child's experience at Camp Barney is the excellence of our staff. They are mature, talented, enthusiastic, warm, and loving caretakers and mentors. They are accomplished and conscientious leaders in their roles at Camp Barney and in their everyday lives. They are our campers' biggest supporters and cheerleaders.

We personally interview every staff member to ensure they are the right fit for our camp culture and for our campers. Our staff members receive extensive training, including emergency and safety procedures, child development training, and behavior management. Our specialists, who instruct and supervise activities involving aquatics, boating, high-adventure ropes courses, and horseback riding, are experienced, trained, and/or certified in their respective specialty area.

We are fortunate that many of our campers become staff members and many return for multiple summers. It is not unusual for a Barney staff member to be on his/her 9th or 12th summer at Camp Barney. In fact, approximately 80 percent of our staff are returning staff or were campers.

Our staff return to Camp Barney because it is the place that holds the best memories for them, they are passionate about working with children, and they want every camper to thrive, grow, and have even more fun than last summer.

— WHAT'S MOST IMPORTANT —

HOW DO YOU SELECT AND TRAIN YOUR STAFF?

All staff members complete a rigorous application process that includes reference checks, criminal background checks, and a personal interview. We hire staff who we believe possess the qualities we seek: positive values, excellent character, good judgment, compassion, intelligence, and passion for teaching and caring for children. Once hired, all staff members participate in extensive training that covers safety and emergency procedures, youth development, behavior management, activity leadership, and child abuse prevention.

WHAT IS THE CAMPER-TO-STAFF RATIO? HOW OLD ARE THE STAFF MEMBERS?

Our camper-to-staff ratio is two counselors for each group of 8-10 campers. All of our counselors must be older than 18 and those working with our campers 14 and older are at least 20 years old.

WHAT IS THE FOOD LIKE AT CAMP?

Camp Barney's food is delicious and nutritious! We provide three well-balanced meals each day that all include vegetables from our organic garden and fresh, locally grown fruit. We provide many options at each meal so every camper can find something they like. There are cereal and milk options at every breakfast. At every lunch and dinner, we also offer peanut butter or sun butter and jelly sandwiches and a huge salad bar that includes a range of options like vegetables, pastas, hummus, trail mix, and so much more. Campers also enjoy a snack during the day and our famous Milk Line cookies each evening. We accommodate every dietary need and restriction. Vegetarian, vegan, gluten-free, dairy-free, and nut-free alternatives are available at each meal. Camp Barney is a kosher facility.

WHAT SHOULD MY CHILD PACK FOR CAMP?

The "What to Bring List" will help you to prepare. Camp is all about having fun outdoors, so we recommend that you do not pack clothing items that you don't want to get dirty or stained. Campers also need to bring bedding (sheets, pillow, and blankets) as well as a sleeping bag for overnight trips. Please put your child's name on everything.

HOW DO I KEEP IN TOUCH WITH MY CHILD WHILE THEY ARE AT CAMP?

Your MyCBM account will provide access to photos and one-way emails to your child while they are at camp. We encourage you to write positive, supportive letters to your child throughout their session. You can also like us on Facebook to see fun videos and photos of camp in action. If there is an issue at any point during your child's time at camp, our directors will call you, and you're welcome to email or call us.

WHAT IS YOUR TECHNOLOGY POLICY?

We want our campers to unplug during the summer, so we do not permit campers to bring mobile devices or other technology to camp. This includes, but is not limited to, cell phones, iPods, iPads, laptops, tablets, Kindles, and gaming devices.

WHAT IF MY CHILD GETS HOMESICK?

It's perfectly normal for a camper to miss home, especially our new and younger campers. Our staff is trained on how to manage homesickness and we deal with each camper on an individual basis. Some remedies we consider are more participation in activities and creating stronger quality connections with other campers. We embrace them as long as it takes, and often partner with parents, until they feel comfortable and connected. We will do everything that we can to make sure your child has the best possible experience at Camp Barney.

HOW ARE ACTIVITIES ASSIGNED?

Activities are assigned by age group and are organized in a sequential program so that every year a camper returns to Camp Barney, they can look forward to participating in new programs, activities, trips, and more. There are some activities that all campers enjoy like leading a Shabbat service, swimming, campouts, horseback riding, archery, lake activities, music, dance, theater, crafts, and field and court sports. Specific age groups enjoy our high ropes course, technical climbing wall, vertical challenge course, videography, mountain biking, zip line, pottery, karate, fencing, scuba diving, and tree climbing. Additionally, there are different trips for each age group that range from kayaking on the Chestatee River and tubing on the Chattahoochee River to whitewater rafting down the Ocoee or Nantahala Rivers.

The American Camp Association's (ACA) rigorous standards of excellence guide successful camps across the country. Their stamp of accreditation is your assurance of an incredible camping experience and CBM is proud to achieve and exceed every ACA standard. The ACA sets national standards (reviews programs, facilities, and hiring and safety policies) and they also routinely visit Camp Barney.
