

Dear Families,

This year, The Weber School welcomed Jewish high school students from **25 different schools** all across Atlanta. Our **morning van service** brings students to Weber from multiple locations.

Weber graduates are knowledgeable, thinking, involved, and committed Jewish adults who strive to improve the world. Our academic and co-curricular programs reflect our commitment to excellence. We look forward to meeting you and touring the school with your family.

All the best,

Rise Arkin, Director of Admissions
